Subject: Lower Ley Creek: Scheduling Next Call with EPA & DEC re Local Disposal Option

Good morning, all

We are working with EPA to arrange a call with EPA and DEC to continue our group discussion regarding the local disposal option. Lauren Charney has informed us that EPA is available (after taking into account Cooper's availability): Wednesday morning (after 10:30) and Monday next week.

As soon as you can, please let us know your availabilities for a call and we will circulate a dial-in.

Best,
-Davon
